

ANNUAL SECURITY REPORT

For distribution to students and employees

(A) Campus crime reporting procedures: Any student or employee who observes a criminal act taking place on campus should immediately notify the nearest police station by calling 911 or alert a BMG Security Officer if nearby. Lakewood Township Police Department is located at 321 Third Street, Lakewood, NJ 08701. Their non-emergency phone number is (732) 363-0200. In addition, in the event of any threatening event (e.g. bomb threat, suspected criminal, suspicious character on premises, etc.) the person who observes the danger should carefully and quietly notify the senior administrative staff member in the building so that students and employees can be notified and advised what precautions to take, while avoiding panic.

If you are aware of a crime committed on campus please contact one of the following:

Security Officer on Duty	732-569-1046
Director of Facilities	732-367-1060, ext. 4271
Senior VP, Administration and Campus	732-367-1060, ext. 4279
Director, Dormitory and Students	732-534-2544
COO	732-367-1060, ext. 4248

Confidential reports may be made to any of the above individuals as well. With your permission, a report will be drawn up with the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others.

In the event that a situation arises either on or off campus that constitutes an ongoing or continuing threat, a campus wide timely warning will be issued in accordance with our Timely Warning Policy. Anyone with information warranting a timely warning should report the circumstances to the COO at (732) 367-1060, ext. 4248, or in person, Third floor of the Israel Henry Beren Building.

(B) Policies on access to facilities: Access to all school facilities is restricted to students, employees and authorized visitors who are approved by the school administration. After-hours, student access to the administrative building is provided by contacting the Director of Office Management at extension 4209. The Yeshiva's policy is that all residential facility exterior doors are automatically locked 24 hours per day. All students are given the keys to their dorm rooms and are expected to keep their dorm rooms locked when they leave the premises. All maintenance staff working in the dormitory areas are expected to lock the dormitory room doors and exterior doors after they have completed their work.

The Yeshiva conducts security and safety reviews of its premises. The Executive Director, COO, Sr. VP, Administration and Campus Life and Director of Facilities, have participated and reviewed the conclusions. Areas of review were security features such as, locks, alarms, lighting, communications, etc.

(C) Current campus law enforcement policies: The institution maintains armed security guards who perform roving patrols of the campus locations. However these security officers do not comprise a campus police department. All students and employees who observe some dangerous or suspicious situations are expected to communicate with local police immediately. Victims of crimes are encouraged to report such incidents to local police, although victims do have the right to decline to report if they are reluctant to do so. Students who are aware of a crime which was not reported due to a victim's incapacitation, should report it promptly. Students are reminded of their responsibility for the welfare of their fellow students.

(D) Availability of on and off campus counseling and mental health services for crime victims: Counseling is available on campus and is provided by faculty and administration members. Faculty counselors are encouraged if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics. In addition, counselors with special training in the counseling field are available to students through The Lakewood Community Services Corporation (LCSC), located at 415 Carey Street, Lakewood, NJ 08701. Their phone number is (732) 901-6001. Mental Health services are also available at Chemed, located at 1771 Madison Avenue, Lakewood, NJ 08701. Their phone number is (732) 364-2144. Crisis counseling is also provided by Chai Lifeline, located at 106 Clifton Avenue, Lakewood, NJ 08701. Their phone number is: (732) 719-1700.

(E) Policies for preparing the annual disclosure of crime statistics: The Yeshiva prepares a report which include statistics on incidents of sexual assault, domestic violence, dating violence and stalking as required by the Violence Against Women Act and all statistics required by the Clery Act and Crime Statistics Act. This report is prepared in cooperation with the local law enforcement agencies surrounding our main campus and alternate sites, Director of Facilities, Sr. VP, Administration and Campus, VP of Government Affairs, and Director of Dormitory and Students. Each entity provides updated information on their efforts and programs to comply with the Act.

The institution annually discloses crime statistics to students and employees, as required by law. The statistics are compiled by the institution in conjunction with law enforcement agencies.

Each year a mailing is sent to all enrolled students that provides the means for online access to the report. Faculty and staff receive similar notification either at a staff meeting or with their paycheck. Copies of the report may also be obtained at the Legion Building or by calling (732) 367-1060, ext. 4248.

(F) Programs to educate students and employees about campus security procedures: During registration, new students are given the sources for online access of all the Yeshiva's security procedures and emergency procedures. New employees are provided the same at the time of hire. All

students and staff have constant access to all our security and emergency procedures and are expected to review this material. Campus Security Team members are always available to answer questions from students and staff regarding any and all procedures. Students and employees should read all the security materials carefully, and adhere to all policies.

(G) Programs to educate students and employees about crime prevention: Chief Meyer and the Lakewood Police Department work with the Yeshiva to educate our students regarding crime prevention. These programs are designed to raise awareness and reduce risk by teaching students to recognize potentially violent or abusive behavior. Students are encouraged and expected to observe basic precautions particularly after dark and in high crime areas, such as walking with a friend or someone you know well. Students are encouraged to be aware of their responsibility for their own security and the security of others, and to be proactive bystanders when warranted.

(H) Policy regarding police monitoring of crime at recognized off-campus organizations: There are no authorized off-campus organizations.

(I) Substance abuse policy: See [Controlled Substance Policy](#) .
